Something to consider...

An article in the *Surgical Technology International* journal says that looking down at a smart phone with your head bent forward is the equivalent of having a 60-pound weight on your neck. When we consider that millions of people around the world spend an average of 2-4 hours daily reading and texting, the resulting damage to neck and spine becomes a growing health concern.

It is also easy to become spiritually bowed down by the burdens of life. How often we find ourselves discouraged by the problems we face and the needs of those we love. The psalmist understood this weight of concern yet saw hope as he wrote about “the Maker of heaven and earth, the sea, and everything in them— [who] remains faithful forever. He upholds the cause of the oppressed and gives food to the hungry. The Lord sets prisoners free, the Lord gives sight to the blind, the Lord lifts up those who are bowed down, the Lord loves the righteous” (Ps. 146:6-8).

When we consider God’s care, His great power, and His loving heart, we can begin to look up and praise Him. We can walk through each day knowing that “the Lord reigns forever . . . for all generations” (v. 10). He lifts us up when we are bowed down. Praise the Lord!
(Our Daily Bread)

O Lord, lift our eyes to see Your power and love today so we can raise our heads and our hearts in grateful praise to You.

Faith in God’s goodness puts a song in your heart.

Exciting Changes COMING SOON!

Sundays are great, aren't they? And they're about to get even better! Your Wollaston Church Board is excited to announce our NEW fellowship space to be revealed in the coming weeks. Our sanctuary will receive some updates that will allow us to be more relationally minded as we worship each Sunday morning. By removing some of the pews from the back of the sanctuary, we will open up a new area created for building relationships and worshipping in community.

Stay tuned for updates!
